

AUTOSPECTACULAR 2010 — DUNEDIN, NEW ZEALAND

Our display had 10 cars of which 9 of the cars belonged to South Pacific Club members:

- 1918 Packard Twin Six - Duncan / Dunstan, Wanaka
- 1927 Packard Super 8 - Tony & Jane Devereux, Dunedin
- 1931 Auburn - Alan & Joan Sutton, Arrowtown
- 1933 Packard 12 - Classic Car Museum, Nelson
- 1937 Packard Super 8 - Jo & George Wallis, Wanaka
- 1938 Packard 12 - Richard & Claire Sainsbury, Napier
- 1938 Lincoln V12 - Garth & Andrea Hogan, Wanaka
- 1939 Buick 8 - Jim & Jenny Cooper, Darwin
- 1948 Packard Woody - Lee & Paul Garlington, Queentown
- 1949 Cadillac - Jim Covert, Queenstown

We were very fortunate to have six new cars on our display which had never been there before, including the Sainsbury car which arrived in Dunedin the

day before the show. It was coming down for the repairs and we couldn't overlook the opportunity to have it on display down here, Richard willingly agreed.

There was a large array of vehicles at the show, including a lot of One Make Clubs, local vintage and post vintage clubs, and the show was very well attended. It is held inside the Edgar Centre at Dunedin, the first weekend of July (usually the coldest weekend of the year, but quite nice in Dunedin for a change).
