

## Two Fine Packard 120 Convertible Coupes at Wedding

Dallas and Sue McNeil's newly restored 1935 120 Convertible Coupe. This was Dallas and Sue's first 'official' event with their Packard and was the occasion of their daughter Aeron and Hayden's beautiful autumn wedding. Together with Malcolm & Terry Dean's 1936 120B Convertible Coupe the cars were a perfect match for the colours of autumn. The story of Dallas' restoration was in the 2009 March/April issue of the South Pacific Packard Club.

*Right:* Sue & Dallas toasted the new car and wetting her head with bubbly.

The finished 120 Convertible Coupe below left and right. A beautiful car!!
