

## The Autovia 2010 Classic Car Show & Inter-Marque Concours D'Elegance Christchurch, NZ

Two of our members cars were displayed at the Autovia 2010 Classic Car Show & Inter-Marque Concours D'Elegance in Christchurch, at which, about 35 cars of all eras attended. Each bay was decorated, so it was a really good show. Attached some photos of both the two Packards displayed at this event. As you can see from the Silverware by each car, both Packards won more than one prize. Congratulations Robert, Lynette & Phil, and Tony & Jane.

The 1927 426 Packard Roadster of Tony & Jane Devereux cleaned up all the prizes in 2008 (no show in 2009), so their car was in the Masters Class and not eligible to win in other classes. Out of the two cars, he won this section of course. The other section he won was Best Luggage compartment.

The 1918 Twin 6 Packard Fleetwood Landau of Robert & Lynette Duncan and Phil Dunstan won six 1st place prizes as follows:

- . Peoples' Choice
- . Committee's Choice
- . Class A (Cars up to 1931)
- . Best Interior
- . Best Bodywork
- . Best Engine Bay (up to 1960)

# 1918 PACKARD FLEETWOOD LANDAU

Owned by Robert Duncan and Phil Dunstan

The only history I know of the car, is that it came to Australia in the late 1980's. It was custom seized and sold at a Customs auction in 1992 and I purchased it from this person who had not carried out any work on it. I do wish to acknowledge all the tradesman who worked on it. (see below)

*Robert Duncan*

**Barry & Jason Morgan - fabrication and engineering**  
**Lee & Doug, Rodz & Restos - all panel and paint**  
**Steve & Mark, Walkers Upholstery - all upholstery and top**  
**John Martin, Design n Wood - woodwork**  
**Geoff, Shiny Bits - all the nickel plating**  
**Neil Galloway - all the electrical work**  
**Roy Macdonald - for all the compliance work with VTNZ**

The restoration of this car has been shown in various stages in a number of previous magazines and it is wonderful to see such a rare car finished and restored to her former elegance and beauty. What a wonderful addition to the Packards in the Club and a prize winner at both the Autospectacular 2010 in Dunedin, and the Autovia 2010 Classic Car Show & Inter-Marque Concours D'Elegance in Christchurch. Congratulations to Robert & Lynette Duncan and Phil Dunstan. **Ed**
